It turned out to be an excellent resource! Well written, covering a lot of material in a short space. Great purchase! It was easy for her to apply the content to her research material - not over her head. Book was received in a timely manner.0 of 0 people found the following review helpful. PerfectBy DLSMy son needed a quick referance for a report on the coca-cola company. Great price on this book and quick consise information saved him time and a good grade.

Discusses the founding and development of Coca-Cola, which calls itself "the world's soft drink."
