Bill Manzke : The Unauthorized Encyclopedia of Corgi Toys (Schiffer Military History) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Unauthorized Encyclopedia of Corgi Toys (Schiffer Military History):

0 of 0 people found the following review helpful. Corgi Toys Book By Bolletta Christian Good book to start collecting infos and pictures on Corgi Toys, I wish I could see more on Circus Theme and Movie Cars. Thank you 1 of 1 people found the following review helpful. A valuable resource for the Corgi collector By Raymond Scott This is a wonderful guide for anyone who is into collecting Corgi toys. I especially enjoyed the value guide in the back even though this book was published 10 years ago. My only disappointment was that the author didn't put more information about the "Character" cars which I am so fond of collecting. 1 of 1 people found the following review helpful. Great resource for

Corgi collectors
By M. F. LARROW
I'm just getting into Corgi collecting and have found this book to be very helpful and enlightening. A thorough history plus great color pictures and graphics. Well-done!

Hop in for a complete tour of the tiny world this British toy maker created. Explore four decades of diecast production, following the route the industry took as it shed outdated techniques for state-of-the-art cars James Bond would have been proud of. Written from the unique perspective of an American collector, the book presents topics never before discussed in print, chronicling the rise, fall, and rebirth of Corgi Toys, all illustrated with hundreds of color photos of models and memorabilia never before seen in print. The smaller Husky and Corgi Juniors lines, often neglected in other books, are also covered. Other sections examine Corgi clubs, marketing, packaging, memorabilia, and special interest groupings. Most importantly, this encyclopedia presents the most complete variation listing and value guide published to date, including sections covering Corgi, Husky, and Juniors models from their introduction through the present day.

About the Author
Bill Manzke lives with his wife and two children in the Midwest. He has been an avid Corgi collector since age 6.
