LOve this bookBy rosababjLOve this book, it is a small book not a great pictures but they are ok and the information about the dolls and accesories are good. This decade is the best and this book makes it easier to find and look for the right doll.3 of 3 people found the following review helpful. Somewhat helpful, needs more information...By Kathleen SommersThis book is somewhat helpful, however some close-ups of the dolls faces would have aided me in identifying... For the price a good basic overview of what Barbie dolls were available from 1976-1986.

Hundreds of dolls pictured in full color. paperback colored book.
