1 of 1 people found the following review helpful. It's OK...i expected more....By E. MarHas some good pictures, but i was hoping for much more content on the history. I guess for less than a dollar, I should have expected this. There's a Rolex special that Watchtime just came out with that i thought this was in a digital version. That had more history and some of the reviews of watches.0 of 0 people found the following review helpful. Four StarsBy JJPEngrBrief easy to read guide on history of Rolex models. Helpful in making my selection for purchase.0 of 0 people found the following review helpful. Very goodBy JoseYes

One hundred years ago, in 1914, the Kew Observatory in Great Britain granted a "Class A" chronometer certificate to a wristwatch for the very first time. This was a major achievement for the timepiece in question, a tiny Rolex watch, and it also marked the advent of the modern precision wristwatch.
