Roger Welsch : This Old Farm: A Treasury of Family Farm Memories before purchasing it in order to gauge whether or not it would be worth my time, and all praised This Old Farm: A Treasury of Family Farm Memories:

I liked it a lot. 0 of 0 people found the following review helpful. Great trip down Memory Lane By BirdWhisperer This is a great book, but the way it was presented when I bought it is misleading; it is not by Roger Welsch. He did the Foreword only! However, the stories collected are great. I grew up on the farm in the 60's 70's, and can relate to them all. The fact the cover has an unstyled John Deere tractor cultivator like the one I drove many dusty rows on is a bonus! 0 of 0 people found the following review helpful. Five Stars By Gary Randall good quality condition

Following the nostalgic look at tractors in This Old Tractor, This Old Farm is full of wonderful, heartwarming stories,

essays, and great photography and artwork, all recounting life on the farm. This collection includes insightful, entertaining stories from such well-known writers as Garrison Keillor, E.B. White, Patricia Penton Leimbach, Bill Holm, Ben Logan, Jim Heynen, and Sara De Luca that are based on themes familiar to both present and past farm folk: "The Farmstead," "Working the Land," "Farm Animals," and "Farm Living." This engaging text and glorious photography from Randy Leffingwell and Ralph Sanders, along with artwork from greats such as Bob Artley and Grant Wood, are sure to evoke memories of days on the farm. For rural living, Americana, and farming enthusiasts-- both past and present. Also recommended: This Old Tractor, The Complete Cow, Soda Pop!, Harley-Davidson Collectibles, Classic Tractors of the World, Toy Farm Tractors.

From the PublisherTown Square Books from Voyageur Press provide entertaining, in-depth coverage of popular cultural icons, collectibles, nostalgia, and Americana. Town Square Books have an appealing balance of lively text, crisp full-color photography, and careful reproduction of rare archival material. About the Author Roger Welsch can best be described as a cross between Erma Bombeck and Dr. Ruth, except male and living in Nebraska with his wife and dogs. Before turning his talents to canine psychology, Roger was best known as "the fat guy in overalls" on CBS' Sunday Morning, where he offered up essays on rural and small-town life on the plains.
