Sally Ann Berk, Tom Tumbusch : Tomart's Encyclopedia of Action Figures The 1001 Most Popular Collectibles of All Time before purchasing it in order to gage whether or not it would be worth my time, and all praised Tomart's Encyclopedia of Action Figures The 1001 Most Popular Collectibles of All Time:

10 of 10 people found the following review helpful. A great book about action figures in generalBy El TonioThis is a very nice reference book. Rather than giving a lot of detail about one type of action figure line, it provides a little history/information on lots of action figure lines. This book literally covers 1001 well know and more obscure action figure lines... it was very fun to read/reminisce. This is a hardcover book with 100s of color photos on full glossy paper. It contains at least one picture (and usually more) of virtually every action figure line. Most of the photos are small, but still worthwhile. I was pleasantly surprised to see so much information and so many pictures in such a small

book (it is about 6" by 7", 350 pages, and a little over 1" thick). I collect mostly Star Wars and Mego figures, but often come across other figures when exploring. This was the perfect reference book for such a situation. This book also provides a general value for each figure line (the estimates seemed to be at least as good as other price guides). I bought my copy used for around \$5 plus shipping (it arrived in PERFECT condition). But, I'd say it is easily worth twice that... maybe even more. 0 of 0 people found the following review helpful. Action Figure guide By RAXX In depth guide to action figures. Very detailed and laid out in a well thought out manner. 0 of 0 people found the following review helpful. Excellent!! By Customer Very informative. Excellent!!!

This is a descriptive A-to-Z guide to action figures with 1001 full-color photographs. It includes comprehensive information on the characters, their dimensions, materials and production qualities, special features, packaging, where to buy and much more.

About the Author Sally Ann Berk is the author of *The New York Bartender's Guide*, *Smoothies, Shakes Frappes*, and *Farmer's Market Cooking*, among others. She is the editor of *Secrets of the Druids* and *A Reasonable Affliction: 1001 Love Poems to Read to Each Other*. She lives in Northern California with her husband and son.
