0 of 0 people found the following review helpful. great gift for the collectorBy Michael BergThe book arrived in new condition. It offered in depth information and descriptions about past collectible toy tractor products. It was a great gift!7 of 7 people found the following review helpful. Intro to Farm Toy CollectingBy A CustomerThis book was a disappointment. This gives the reader a intro to farm toy collecting. It is not a resource book. The the average farm toy collector, there is not any new information in this book. It is for the beginner.

Toy Farm Tractors Bill Vossler Andy Kraushaar Farm tractors in miniature! This one-of-a-kind book details all major makers of toy farm tractors and their famous models, including the celebrated tin-toy maker Louis Marx Co.; the classic cast-iron toy makers Hubley, Vindex, and Arcade; and the modern makers of high-tech, high-quality toys, such as The Ertl Co., Scale Models, Carter Tru-Scale, and others. Includes toy steam engines, threshers, implements, farm trucks and horse-drawn machinery. Additional chapters highlight scratch-builders, restoration of toys, pedal toys and salesman samples.
