**Kathy Allert : Traditional Folk Costumes of Europe Paper Dolls in Full Color (Traditional Fashions)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Traditional Folk Costumes of Europe Paper Dolls in Full Color (Traditional Fashions):

2 of 8 people found the following review helpful. Book description not very clear By Texan948I was very disappointed with this book as the description seemed to indicate that there were more than 2 dolls for all the countries represented with the traditional folk costumes. I wanted to give several students a doll and the costumes for a particular country.

Charming folk costumes from Denmark, Poland, Greece, Romania, and other European countries — plus 2 girl paper

dolls that stand up. Delightful introduction to European culture for children. 23 color illustrations on 16 plates.
