Jim Rendi : Traditional Windsor Chair Making: Basic, Step-By-Step Instructions for Building a Comb Back Windsor Chair before purchasing it in order to gage whether or not it would be worth my time, and all praised Traditional Windsor Chair Making: Basic, Step-By-Step Instructions for Building a Comb Back Windsor Chair:

0 of 0 people found the following review helpful. amazing design and comfortable to sit in or just look ...By W. M. NielsonWindsor chairs are incredible. lightweight, strong, delicate looking. amazing design and comfortable to sit in or just look at your finished project. I took a class but this book helped me prepare for it by becoming familiar with the steps so I was not going in blind. I am very proud of my chair!0 of 0 people found the following review helpful. Good ReferenceBy Thomas BroughNice book on putting together Windsor Chairs.0 of 0 people found the following review helpful. Five StarsBy FRED MATASI highly recomend tjis book to anyone wanting to make windsor chairs.

Basic, step-by-step instructions for building a comb-back Windsor chair, using traditional methods. With the simplest of hand tools and a lathe, even the amateur can produce a beautiful chair. Each step is illustrated and the patterns for the parts are given, along with measured drawings. Finally, various jigs and specialized tools like the steamer are explained and methods of constructing them given. Jim Rendi has captured all the skill of the colonial chair maker and shares it with his readers. His Philadelphia Chair Company specializes in Windsor chairs of several traditional styles, but this comb back is among the favorite. A gallery at the end of the book shares other styles of Windsors that use much the same methods.
