**Albert Field : Transformation Playing Cards** before purchasing it in order to gage whether or not it would be worth my time, and all praised Transformation Playing Cards:

3 of 3 people found the following review helpful. Black WhiteBy dyselxiaThis is a fine collection of different decks of transformation cards, it's a decent price too. I was only a bit disappointed because except for the ones on the cover they're all in black white. It makes it a bit difficult to truly appreciate the great art on a lot of the cards, still if you have no problem with that it's definitely worth checking out.
