Editors Of Tuff Stuff Magazine : Tuff Stuff Standard Catalog Of Football Cards before purchasing it in order to gauge whether or not it would be worth my time, and all praised Tuff Stuff Standard Catalog Of Football Cards:

0 of 3 people found the following review helpful. Awkward organization reduces usefulness By Fred Goodwin This catalog is arranged by manufacturer, then within each manufacturer, by year. That's OK if you collect by card maker, but I prefer a catalog that is organized by year, then by manufacturer. The arrangement of the Tuff Stuff catalog makes it very difficult to see which sets were released in a given year, and therefore to know how "complete" your collection is for any given year. I recommend sticking with the Beckett price guides, which are organized by year, then by manufacturer within a year. Just my 2¢
