**Anna Mary Feldmeyer, Kara Holtzman : Uhl Pottery Identification Value Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised Uhl Pottery Identification Value Guide:

0 of 0 people found the following review helpful. Uhl Pottery Identification Value GuideBy James PilcherIt is a very informative book about the art pottery pieces. I am more interestd in the utilitarian pieces made by Uhl so it did not help me as much as it will someone in the art pottery mode0 of 0 people found the following review helpful. Five StarsBy MGgood resource0 of 0 people found the following review helpful. Quick reference for any Ebayer who sells

Uhl Pottery By Gail Swartzell It was just what I needed to sell my Uhl Pottery on Ebay. Nice pictures and informative descriptions of items.

Approximately 100 new color photographs have been added to this edition, featuring about 150 new pieces, for a total of about 300 photos and nearly 900 different pieces. It's the most comprehensive guide to Uhl pottery ever published - in an easy-to-reference pocket guide. The chapters on general production and Jane Uhl have been greatly expanded. Appendices on stamps, markings, and mold numbers, and a new appendix on identifying Uhl will pull together and expand on some of the tips that were mentioned throughout the first edition. Tips for identifying Uhl pieces and distinguishing them from those of other companies are provided, as well as pictures of odd and rarely seen pieces. A brief history of Uhl Pottery makes this a complete collector's reference to this beautiful American pottery.

Very helpful. Correctly identifying one piece can refund the price of the book 100 times. About the Author Anna Feldmeyer and her husband, Don, were introduced to Uhl Pottery collecting more than 25 years ago. Both of her parents had been employed by Uhl. She is a member of the Uhl Collector Society. Kara Holtzman is the daughter of Anna Feldmeyer. They co-authored the book Uhl Pottery in 2001.
